Dear Ms. Thomas,

As per our previous conversation, I have reviewed the Lot Split application that was submitted by Thomas Brothers, LLC to subdivide property located on Mary Avenue west of the intersection of Hickory Avenue. The request to return the parcel to the original platted lot descriptions has been denied. This denial is based on city ordinance regarding minimum lot dimensions in Section 405.070 (B) 6 that requires seventy feet of street frontage. The original plat indicated a frontage of approximately sixty-one feet.

Any request to appeal this determination should be directed to the city's Board of Adjustments.

Sincerely,
