ITEM: Purchase of replacement Police Car

ORIGINATING DEPARTMENT: Police Department

ATTACHMENT:

1. Police Vehicle Request for Purchase

PURPOSE:

Replace previously wrecked patrol car.

BACKGROUND:

On November 9th, 2022 a Dodge police charger was involved in a single-car accident, totaling the vehicle. The insurance replacement cost for the vehicle is \$34,185. A search was conducted for dealers that might have a replacement vehicle in stock. We were referred to Specialty Vehicle Source, a dealer/upfitter in Manhattan KS, who has black Dodge Chargers in stock. We contacted this location and he quoted \$40,950 as the cost of a 2022 Dodge Charger AWD. We have not been able to locate anyone else in a several state area who has vehicles currently in stock. There is a \$6,765 difference between the cost of the replacement vehicle and what the insurance company provided as a replacement cost.

RECOMMENDATION:

Staff recommends council approve the purchase of the 2022 Dodge Charger police vehicle from Specialty Vehicle Source in Manhattan, KS in the amount of \$40,950.
