NEW BUSINESS

1. Emergency Pump Replacement-Municipal Pool

ADJOURN

REQUESTED COUNCIL MEETING DATE: July 12, 2023

ITEM: Emergency Pump Replacement-Municipal Pool

ORIGINATING DEPARTMENT: Parks and Recreation Department

ATTACHMENT:

1. Pool Pump Replacement

PURPOSE:

The pool pump has been struggling for the past few days. The seals and bearings faltered, creating a leak and blow-by, loss of water. Also, loss of water pressure to circulate the pool. The motor was also tested by an electrician, and it failed as well. Thus, needing a total replacement.

BACKGROUND:

The municipal pool was built in 1978-1980, which has required a lot of maintenance and updates over the last couple years.

RECOMMENDATION:

With all things considered, the staff recommendation is to have Letts, Van Kirk and Associates do the installation of the new pump and Motor for the municipal pool.

Dear Kenny

Per your pool pump repair Steward pumps and repairs would like to quote \$20,056 for a Pentair complete pump and motor package. This quote does include new pump, motor, intake, and discharge piping, plus all labor to install in Neosho, KS. This project will have a 2 week lead time.

Thank you for allowing us to bid this job.

Best Regards

Ian Steward
