Business #1 Speed bumps for Canopy Church. As discussed in previous meeting

Discussion Previous meeting on November 7, 2022 much discussion was
had concerning the issue the church is having with an alley by their
building.

On December 5th, 2022 Traffic Commission met with the pastor Mr. Bridges concerning
what they would like to do. Mr. Bridges handed out plans for a raised crosswalk in the alley \\
which should serve protect the youth as they walk across the alley.

There was a lot of discussion concerning these plans. Mr. Siler agreed this would be a
better option for them to do.

Motion: To approve the crosswalk plans as submitted

Business#1
