Passed.

**CONSENT AGENDA**

Councilman Cobb made a motion to Approve the Consent Agenda to include:

August 6, 2024 Minutes

Bill No. 2024-64

Bill No. 2024-65

Bill No. 2024-66

Bill No. 2024-67

Bill No. 2024-68

Councilman Workman seconded.

## **August 20, 2024 Council Minutes**

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **VISITOR'S BUSINESS**

#### **David Versluis - Water Leak Adjustment**

David Versluis addressed the city council regarding a high water bill at his location and already receiving a leak adjustment the previous month. He requested council approve another leak adjustment.

### **BIDS**

#### **Restriping Project**

Public Works Director Siler addressed the city council stating that this agenda item is to seek council approval for restriping of six city streets. Staff sent out bids for the restriping of city streets and received one bid back. Six city streets have been identified as needing the traffic lines to be re-painted for safety and traffic control. This includes Howard Bush Dr, Industrial Dr, Hale McGinty Dr, Garrow BLVD, Gibs Way, and Adams Dr.

Streetwise, Inc.'s total bid of \$84,742.53

Councilman Cobb made a motion to Approve the bid from Streetwise, Inc in the amount of \$84,724.53; Councilman Workman seconded.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

#### **City Electrical Services**

City Manager Kennedy addressed the city council stating that the purpose of this item is to seek approval for citywide electrical services. There were multiple bids sent out for these services and three bids were received back from Henson Electric, Premier Contracting and Bill's Electric.

Staff recommends approving Henson Electric for citywide electrical services.

Councilwoman Robinson made a motion to Approve the city-wide electrical bid from Henson Electric; Councilwoman Humphrey seconded.

## **August 20, 2024 Council Minutes**

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **City Plumbing Services**

City Manager Kennedy addressed the city council stating that the purpose of this item is to seek approval for citywide plumbing services. There were multiple bids sent out for these services. There were two bids received back from the following:

Jackson Sales and Service

Satterlee

Councilwoman Robinson made a motion to Approve the city-wide plumbing services bid from Jackson Sales and Service; Councilman Cobb seconded.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Airport Crack Seal**

Development Services Director Leavens addressed the city council stating that the purpose of this agenda item is to seek council approval for crack sealing at the airport. There were many bid packets sent out for these services. There was only one bid received back for these services. The purpose of this item is to gain the City Council's approval of a bid to seal cracks in the airport runway, taxiway and aprons. The city issued a request for proposals to seal cracks in the runway, taxiway, and aprons of the city's Hugh Robinson Airport. The project was divided into four project areas. A total of eighteen bid packets were sent out to area businesses providing this service. Only one completed bid packet was returned. Springfield Striping and Sealing submitted a bid for each of the project areas as follows: Runway: \$26,416.00; Taxiway: \$51,415.00; North Hanger Apron: \$23,796.80; for a total project cost of \$101,627.80.

Councilwoman Robinson made a motion to Approve Springfield Striping and Sealing for the airport crack seal in the amount of \$101,627.80; Councilman Cobb seconded.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**PUBLIC HEARINGS**

**Public Hearing for FY25 Property Tax**

Mayor Davidson opened the public hearing for Bill No. 2024-69 FY25 Property Tax at 7:15 p.m.

There was no one present to speak.

Mayor Davidson closed the public hearing for Bill No. 2024-69 FY25 Property Tax at 7:15 p.m.

**Public Hearing for FY25 City Budget**

Mayor Davidson opened the public hearing for Bill No. 2024-70 FY25 Budget at 7:16 p.m.

There was no one present to speak.

Mayor Davidson closed the public hearing for Bill No. 2024-70 FY25 Budget at 7:16 p.m.

**Public Hearing for the Voluntary Annexation of Bowler Avenue**

Mayor Davidson opened the public hearing for Bill No. 2024-71 Voluntary Annexation for 2830 Bowler Avenue at 7:16 p.m.

There was no one present to speak.

Mayor Davidson closed the public hearing for Bill No. 2024-71 Voluntary Annexation for 2830 Bowler Avenue at 7:16 p.m.

**Public Hearing for the Rezoning of College Street from "R-1, First Dwelling Housing District" to "R-2, Second Dwelling Housing District"**

Mayor Davidson opened the public hearing for Bill No. 2024-72 Rezoning of 722 S College at 7:17 p.m.

There was no one present to speak.

Mayor Davidson closed the public hearing for Bill No. 2024-72 Rezoning of 722 S College at 7:17 p.m.

**NEW BUSINESS**

**Bill No. 2024-69: FY25 Property Tax, Under Emergency Measure, 1st, 2nd and 3rd Readings**

AN ORDINANCE OF THE CITY OF NEOSHO, MISSOURI, PROVIDING FOR THE RATE OF TAXATION AND THE LEVY AND COLLECTION OF TAXES FOR REAL PROPERTY ASSESSMENT FOR THE FISCAL YEAR COMMENCING OCTOBER 1, 2024, UNDER EMERGENCY MEASURE.

## **August 20, 2024 Council Minutes**

Attorney Snyder read Bill No. 2024-69 in title only.

Councilman Cobb made a motion to Approve and discuss Bill No. 2024-69 under 1st, 2nd, and 3rd Readings; Councilman Workman seconded.

City Clerk Wright addressed the city council stating that this item is to seek council's approval to adopt an ordinance setting the real property tax levy ceiling as authorized per RSMo Section 137.073 Article X, Section 22 of the Constitution of the State of Missouri at .3419/100 of assessed valuation. Revenue derived from this tax shall be used to support the City of Neosho's general government financial obligations.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Bill No- 2024-70: FY2025 City Budget**

AN ORDINANCE of the City of Neosho, Missouri, adopting the annual City budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025.

Attorney Snyder read Bill No. 2024-70 in title only.

Councilwoman Humphrey made a motion to Approve and Discuss Bill No. 2024-70; Councilman Cobb seconded.

Finance Director Forest addressed the city council's approval of the city's budget for the Fiscal Year beginning October 1, 2024 and ending September 30, 2025. Per Article V of the Neosho City Charter, this proposed budget is submitted for your consideration and approval for the fiscal year ending September 30, 2025. The attached budget letter and budget provide the following information on our balanced budget for the General Government Funds and Enterprise Funds: Proposed Revenues and Expenditures, Proposed Other Sources, and Proposed Other Uses. Also included is the Internal Service Fund, which represents the Health Insurance Plan.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Bill No. 2024-71: Hickory Avenue partial Right-of-Way Abandonment for Habitat for Humanity**

AN ORDINANCE of the City of Neosho declaring a certain right-of-way surplus and abandoning and vacating the west Twenty-Five Feet of right-of-way of Hickory Street between Mary Avenue and Jefferson Avenue and authorizing the same to revert to the abutting property owners.

Attorney Snyder read Bill No. 2024-71 in title only.

## August 20, 2024 Council Minutes

Councilwoman Robinson made a motion to Approve and Discuss Bill No. 2024-71; Councilman Cobb seconded.

Development Services Director Leavens addressed the city council stating that the purpose of this agenda item is to seek council approval to abandon 25' of the west side right of way for Hickory Avenue between Mary Avenue and Jefferson Avenue. In the fall of 2023, Habitat for Humanity approached the City Council about the possibility of the City abandoning part of the west side of the Hickory Avenue right-of-way for the construction of an H4H home on the southwest corner of Hickory Avenue and Mary Avenue. H4H is requesting that the western 25' of the 80' Hickory Avenue right-of-way be abandoned between Mary Avenue and Jefferson Avenue.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Bill No. 2024-72: Rezoning of 722 S. College from R-1, First Dwelling House District to R-2, Second Dwelling House District**

AN ORDINANCE of the City of Neosho to amend the zoning District Map for certain property within the limits of the City located at the 722 South College, Neosho, Missouri, as requested by the owner, Fleshman Family Farm, LLC, a Missouri Limited Liability Company, from a District "R-1" First Dwelling House District to a District "R-2" Second Dwelling House District.

Attorney Snyder read Bill No. 2024-72 in title only.

Councilman Cobb made a motion to Approve and Discuss Bill No. 2024-72; Councilman Workman seconded.

Development Services Director Leavens addressed the city council stating that the purpose of this agenda item is to seek council approval to re-zone 722 South College St from a R-1, First Dwelling House District to R-2 Second Dwelling House District. The property owner wants to remodel a home with a "mother-in-law" suite into a duplex. The property is located in an R-1 First Dwelling House District to a R-2, Second Dwelling House District. The property was properly posted and advertised and a public hearing was held by the Planning and Zoning Committee. No public comment was received. The Planning and Zoning Committee voted to recommend the approval of the rezoning to the City Council.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Bill No. 2024-73: Amending Code for UTVs on City Streets**

## August 20, 2024 Council Minutes

AN ORDINANCE of the City of Neosho amending Chapter 300 General Provisions, Title III Traffic Code, of the Code of Ordinances by amending Section 300.020 Definitions to repeal and replace the definition of Motor Vehicle and add a new definition for Utility Vehicle and amending Chapter 340 Miscellaneous Driving Rules, Title III Traffic Code, of the Code of Ordinances by repealing and replacing Section 340.120 Off Road Vehicles, Allowed—Exceptions, Prohibited Uses for adding exceptions of Utility Vehicles and Golf Carts on City Streets.

Attorney Snyder read Bill No. 2024-73 in title only.

Councilwoman Robinson made a motion to Approve and Discuss Bill No. 2024-73; Councilwoman Humphrey seconded.

Police Chief Baird addressed the city council stating that the purpose of this item is to seek approval for allowing UTV and Golf carts on city streets. At the request of several citizens, we developed an ordinance allowing a Utility Task Vehicle (UTV) and golf carts on city streets.

Roll call vote:

Yes: Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: Carl Cobb

Abstain: None

Passed.

### **Bill No. 2024-74: Change Order#2 to Agreement with Jeff Asbell for Stratford and Freeman Stormwater Project**

AN ORDINANCE of the City of Neosho authorizing Change Order No. 2 for an Agreement for Construction Services with Jeff Asbell Excavating & Trucking, Inc., a Missouri Corporation for cost overrun in the amount of Fifteen Thousand Four Hundred Fifty-One and 26/100 Dollars (\$15,451.26) and authorizing the Mayor to execute the same by and on behalf of the City of Neosho; and containing an emergency provision.

Attorney Snyder read Bill No. 2024-74 in title only.

Councilwoman Humphrey made a motion to Approve and Discuss Bill No. 2024-74; Councilman Workman seconded.

Development Services Director Leavens addressed the city council stating that the purpose of this agenda item is to seek council approval for a change order for Stratford and Freeman Road. This is a DED/CDBG grant which was awarded to the city of Neosho for drainage. The change order request is for additional work needed to the box culverts once the private lines were located. The depth of the lines caused modifications to the prefab box culverts. As it stands, the city's grant will cover this overage of costs. However, throughout the project, if additional modifications are needed, the city will then need to utilize drainage fund balance to cover the costs.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Bill No. 2024-75: Liberty Easements for Pole Replacement at Hwy 59 and Industrial**

AN ORDINANCE of the City of Neosho, Missouri, authorizing to grant an easement to The Empire District Electric Company, a Missouri private utility company, for the purpose of constructing and maintaining improvements for electric service on certain property located in Section 05, Township 24, Range 32, Newton County, Missouri; and authorizing the Mayor to execute the same by and on behalf of the City of Neosho.

Attorney Snyder read Bill No. 2024-75 in title only.

Councilwoman Robinson made a motion to Approve and Discuss Bill No. 2024-75; Councilman Workman seconded.

Public Works Director Siler addressed the city council stating that this agenda item is to seek council approval to grant Liberty easement rights at the intersection of 59 & Industrial Drive. Liberty utilities are relocating a telephone pole at this intersection which is needed for intersection improvements by the City of Neosho. This moves the pole further to the south, allowing the opportunity for a right-turn lane onto 59 highways.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Resolution Bill No. 2024-43: Streetwise Inc. Agreement for Restriping City Streets**

A RESOLUTION of the City of Neosho, Missouri, approving an agreement with Streetwise, Inc., a Missouri Corporation, for the purpose of providing Contractor services for the restriping of certain streets within the City for the not to exceed price of Eighty-Six Thousand One Hundred Sixty-Two and 53/100 dollars (\$86,162.53) and authorizing the Mayor to execute the same by and on behalf of the City of Neosho.

Attorney Snyder read Resolution Bill No. 2024-43 in title only.

Councilwoman Robinson made a motion to Approve and Discuss Resolution Bill No. 2024-43; Councilman Workman seconded.

Public Works Director Siler addressed the city council stating that the this agenda item is to seek council approval for the Mayor to sign the Overlay and Asphalt Milling Agreement with Streetsise Inc. This is the agreement with Streetwise Inc. to complete restriping of City Streets where the Council approved the bid of 86,162.53

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Resolution Bill No. 2024-44: Marion Company, LLC Agreement for Parking Lot Construction**

A RESOLUTION of the City of Neosho, Missouri, approving an agreement with Marion Company, LLC, a Missouri Limited Liability Company, for the purpose of providing Contractor services for the construction of a parking lot along Spring Street for the not to exceed price of One Hundred Forty-Five Thousand Nine Hundred and 00/100 dollars (\$145,900.00) and authorizing the Mayor to execute the same by and on behalf of the City of Neosho.

Attorney Snyder read Resolution Bill No. 2024-44 in title only.

Councilman Cobb made a motion to Approve and Discuss Resolution Bill No. 2024-44; Councilman Workman seconded.

City Manager Kennedy addressed the city council stating that the purpose of this item is to seek approval for the Mayor to sign the Parking Lot Construction Agreement with Marion Company, LLC. This is the agreement with Marion Company, LLC to provide construction services for a new Spring Street parking area where the Council approved the bid of \$145,900.00

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Resolution Bill No. 2024-45: Adopted Purchasing Policy FY2025**

A RESOLUTION of the City of Neosho, Missouri, adopting purchasing policies and procedures for the administration and staff of the City of Neosho.

Attorney Snyder read Resolution Bill No. 2024-45 in title only.

Councilwoman Robinson made a motion to Approve and Discuss Resolution Bill No. 2024-45; Councilman Cobb seconded.

Finance Director Forest addressed the city council stating that the purpose of this item is to seek approval for the purchasing policy with the new budget for FY2025. The current purchasing policy and procedures was last updated for a cooperative procurement program in 2023. The policy has been updated to add clarity to the language and for gender neutrality.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Resolution Bill No. 2024-46: Frog Pond Endeavors, LLC, Jireh Properties**

A RESOLUTION of the City of Neosho, Missouri, approving a Development Agreement by and between the City of Neosho and Jireh Real Properties, LLC, a Missouri Limited Liability Company, and Frog Pond Endeavors, LLC, a Missouri Limited Liability Company for the purpose of providing reimbursement costs for public sewer main extension for the not to exceed amount of Twenty-Five Thousand and 00/100 dollars (\$25,000.00) and authorizing the Mayor to execute the same by and on behalf of the City of Neosho.

Attorney Snyder read Resolution Bill No. 2024-46 in title only.

Councilman Cobb made a motion to Approve and discuss Resolution Bill No. 2024-46; Councilman Workman seconded.

City Manager Kennedy addressed the city council stating that the purpose of this item is to seek approval for To approve the resolution for Frog Pond Endeavors, LLC/Jireh Properties. The city is utilizing ARPA funding for the reimbursement of a main line extension to Frog Pond Endeavors, LLC/Jireh Properties to help promote economic development in the area of Blue Oak Plaza. The amount approved for this reimbursement is \$25,000.00 from the American Rescue Plan Act which was awarded to the City of Neosho.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

**Resolution Bill No. 2024-47: Support for Excell Development Group's, Gateway Glen Senior Housing.**

A RESOLUTION of the City of Neosho, Missouri, supporting the proposed affordable senior housing presented by Excell Development Group.

Attorney Snyder read Resolution Bill No. 2024-47 in title only.

Councilwoman Robinson made a motion to Approve and Discuss Resolution Bill No. 2024-47; Councilman Cobb seconded.

Development Services Director Leavens addressed the city council stating that the purpose of this agenda item is to approve the Resolution of Support for Excell Development Group's, Gateway Glen senior housing project and authorize the Mayor and City Manager to sign letters of support. The city has approved the application of an infrastructure grant through the Department of Economic Development's Community Development Block Grant - Disaster Relief grant program. This resolution and the letters of support will assist Excell Development in obtaining additional funding for their project.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

## August 20, 2024 Council Minutes

Abstain: None

Passed.

### **Resolution Bill No. 2024-48: Amending Employee Handbook - Nepotism Policy**

A RESOLUTION of the City of Neosho, Missouri, adopting a new Nepotism Policy for employment for the City of Neosho.

Attorney Snyder read Resolution Bill No. 2024-48 in title only.

Councilman Cobb made a motion to Approve and Discuss Resolution Bill No. 2024-48; Councilman Workman seconded.

Human Resources Director Muhic addressed the city council stating that the purpose of this item is to seek approval for amending the employee handbook to update the nepotism policy. The purpose of this policy is to address where employees have family members working in the same department. It ensures that these positions do not conflict with each other, nor involve any supervisory roles over one another. The policy is designed to allow relatives to work together under conditions that prevent conflicts of interest and uphold fairness. Employees with family members in the same department are paid from different budget line items based on their roles. However, the roles do not conflict in some cases and may need to be paid from the same budget line item.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

### **Resolution Bill No. 2024-49: Destruction of Records**

A RESOLUTION OF THE CITY OF NEOSHO, MISSOURI, NOTIFYING THE COUNCIL OF THE DESTRUCTION OF CITY RECORDS.

Attorney Snyder read Resolution Bill No. 2024-49 in title only.

Councilman Cobb made a motion to Approve and Discuss Resolution Bill No. 2024-49; Councilman Workman seconded.

City Clerk Wright addressed the city council stating that the purpose of this item is to seek approval for the destruction of municipal records. This resolution is to comply with State procedures for the retention and destruction of municipal records. RSMo 109.230 states: The director shall, with due regard for the functions of the agencies concerned, and subject to the approval of the Secretary of State: (4) Publish lists of records authorized for disposal or retention. City Code Section 110.390 states the City Clerk shall have custody of and shall safely keep the public records, the original rolls of ordinances and resolutions of the City Council, such other records, documents and papers of public nature as may be delivered into his/her custody.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

## August 20, 2024 Council Minutes

Abstain: None  
Passed.

### **City Council Authorization to Participate in Missouri's Highway Safety Program - DWI & HMTV Enforcement**

Police Chief Baird addressed the city council stating that the purpose of this item is to seek approval for the police department to apply for the HMTV and DWI grant.

Roll call vote:

Yes: Carl Cobb, Richard Davidson, Julie Humphrey, Ashton Robinson, Tom Workman

No: None

Abstain: None

Passed.

Mayor Davidson closed the August 20, 2024 Council Meeting at 9:17 p.m.

APPROVED

ATTEST

NEOSHO CITY COUNCIL

---

Mayor

---

City Clerk

---

**REQUESTED COUNCIL MEETING DATE:** August 20, 2024

**ITEM:** Bill No- 2024-70: FY2025 City Budget

---

**ORIGINATING DEPARTMENT:** Finance Department

**ATTACHMENT:**

1. Bill No. 2024-70 FY 2025 budget

2. FY2025 Proposed Budget

---

**PURPOSE:**

To approve the city's budget for the Fiscal Year beginning October 1, 2024 and ending September 30, 2025.

**BACKGROUND:**

Per Article V of the Neosho City Charter, this proposed budget is submitted for your consideration and approval for the fiscal year ending September 30, 2025.

The attached budget letter and budget provide the following information on our balanced budget for the General Government Funds and Enterprise Funds: Proposed Revenues and Expenditures, Proposed Other Sources, and Proposed Other Uses. Also included is the Internal Service Fund, which represents the Health Insurance Plan.

**RECOMMENDATION:**

The City Manager recommends the City Council approve the city's budget for the Fiscal Year beginning October 1, 2024 and ending September 30, 2025 as presented.

**AN ORDINANCE of the City of Neosho, Missouri, adopting the annual City budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025.**

WHEREAS, in accordance with Section 5.02 of the Neosho City Charter, the City Manager has submitted to the Mayor and Council a budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, and an accompanying message; and,

WHEREAS, in accordance with Section 5.06 of the Neosho City Charter, a public hearing on the proposed budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, was held on August 20, 2024.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NEOSHO, MISSOURI, as follows:

**Section 1.** A budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, providing total revenues of \$62,376,319.00 and appropriations for all funds of \$55,236,906.00, including the salary schedule therein, a true and accurate copy of the same being attached hereto and incorporated as Exhibit “A,” be and the same is hereby approved.

**Section 2.** The City Manager is directed to cause the proper accounting entries to be made in the books and records of the City so as to reflect the revenues and appropriations set forth in the budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025.

**Section 3.** That this Ordinance shall be in full force and effect from and after its passage.

PASSED BY THE COUNCIL OF THE CITY OF NEOSHO, MISSOURI, this \_\_\_\_ day of \_\_\_\_\_, 2024, by a vote of \_\_\_\_\_.

**CITY OF NEOSHO, CITY COUNCIL**

Citizens of the City  
Honorable Mayor and Members of the Neosho City Council  
City of Neosho  
Neosho, Missouri

In fulfillment of Article V of the Neosho City Charter, I am submitting for your consideration and approval the proposed budget for the fiscal year ending September 30, 2025.

The table below provides the following information on our balanced budget for the General Government Funds and Enterprise Funds: Proposed Revenues & Expenditures, Proposed Other Sources, and Proposed Other Uses. Also displayed is a comparison to the prior two years of original adopted budgets.

|                        | Projected Fund<br>Balance | Total Revenues<br>and Other<br>Sources | Total<br>Expenditures<br>and Other Uses | Projected<br>Ending Fund<br>Balance | % of<br>Total | Change<br>Amount       | Change<br>%  |
|------------------------|---------------------------|----------------------------------------|-----------------------------------------|-------------------------------------|---------------|------------------------|--------------|
| Government Funds       | \$ 17,873,902.00          | \$ 38,228,302.00                       | \$ 40,433,154.00                        | \$ 15,669,050.00                    | 0.70          | \$ (2,204,852.00)      | -0.12        |
| Internal Service Funds | \$ 149,545.00             | \$ 1,112,018.00                        | \$ 1,111,918.00                         | \$ 149,645.00                       | 0.00          | \$ 100.00              | 0.00         |
| Enterprise Funds       | \$ 6,764,849.00           | \$ 12,183,339.00                       | \$ 12,471,816.00                        | \$ 6,476,372.00                     | 0.30          | \$ (288,477.00)        | -0.04        |

|                       | <b>FY2023<br/>Adopted<br/>Budget</b> | <b>FY2024<br/>Adopted<br/>Budget</b> | <b>FY2025<br/>Proposed</b> |
|-----------------------|--------------------------------------|--------------------------------------|----------------------------|
| Government Funds      | 38,909,227.00                        | 41,362,456.00                        | 40,433,154.00              |
| Internal Service Fund | 1,017,506.00                         | 1,019,017.00                         | 1,111,918.00               |
| Enterprise Funds      | 20,019,620.00                        | 11,177,977.00                        | 12,471,816.00              |
| <b>Total</b>          | <b>59,946,353.00</b>                 | <b>53,559,450.00</b>                 | <b>54,016,888.00</b>       |

The City's expenditures and other uses have increased for the Fiscal 2025 year. This is in large part due to the continuation of two stormwater projects related to the use of American Rescue Plan Act "ARPA" funds for drinking water, wastewater and stormwater, and the Department of Economic Development "DED" funds for Stratford Place and Freeman Road. Flooding occurs easily among the properties and roadways during moderate rainfall events and remain flooded for extended time periods after rainfall events. The proposed projects will consist of the installation of a stormwater system of inlets and piping to promote drainage of the existing area and intercept stormwater generated from the south for the Stratford Place and Freeman Road project. Construction of a new drainage ditch to mitigate flooding from Hatchery Branch and the High School Branch. Construction project will begin for improvements and overlay of Highway 59 towards Malcom Mosby Drive. This construction will include the addition of right turn lanes at the intersections of Industrial Drive and Clemons Drive and will also include stormwater improvements in this area. The adoption of the twenty-year plan for water projects will consist of replacement of water lines which are at the end of their service life, and will include replacement of gate valves, fire hydrants, service connections, and appurtenances. The City received the wastewater study this last year and has begun implementation of the plan to update and repair the wastewater collection and treatment system. Among the proposed wastewater projects is the rehabilitation of the Buffalo Creek Lift Station and the Villas/Limekiln lift station in order to mitigate the infiltration and inflow of stormwater into the sewer system.

The City has seen an overall decrease of 3.48% from FY23 in sales tax revenues received as of August 2024. The loss of retail business is a large part of the decrease. Using the five-year average for the month of September, we expect the 2023/2024 fiscal year sales tax revenues to end the fiscal year approximately 4% below actual receipts from the prior fiscal year. We have budgeted sales tax revenues for the 2024/2025 fiscal year with no growth over the budgeted sales tax revenues from the 2023/2024 fiscal year. While we have some growth in the community the decrease was unexpected, Staff feels a conservative approach is best at this time due to the uncertainties and volatility of the economy.

With overall expenses increasing at a higher rate than revenues, the staff must make decisions to ensure the ongoing success of the City. The City is committed to the management of expenditures with a strong focus on lean and efficient operations and competitive third-party contracts. During the FY2025 year, the

City plans to continue a course of action intended to improve revenues across the board to ensure continuation of important services, while continuing to practice approved bidding and purchasing procedures to find the best value for the taxpayer's dollar. The City has chosen to continue to invest in the employees in FY2025 with a 3% COLA increase for most departments with Fire receiving step increases to remain competitive in FY2025. It is no small feat to protect, provide, and maintain a safe and functioning City for our citizens. Our Staff is to be commended to for the results of their service to the Citizens of Neosho.

We continue to focus on building strong relationships with our partners in education, business, economic development, and our community in general. Great strides have been achieved, as we continue to help Neosho grow at a pace that complements our infrastructure and encourages new construction, new developments, and new citizens. The City continues our partnership with the Neosho Area Chamber of Commerce in the promoting and beautification of the City and we will continue into Fiscal Year 2025 in the same direction and collaborative spirit.

Water loss remains a top priority for the City's Utilities Departments. Public Works has identified the downtown upper-pressure zone to have the largest amount of water loss. In FY2024, installation of additional magnetic field meters have been installed in that area to further isolate locations for main repair or replacement. The water and wastewater revenues were reviewed, and an annual increase was included in FY2025. This will allow for continuous infrastructure improvements as highlighted in the twenty-year plans for water and sewer lines as well as to the Wastewater and Filtration plants in the future.

The debts of the City continue to receive careful oversight by the Staff. Our responsibility as a City is to ensure that we service these debts accordingly. In Fiscal Year 2023, the final payment for the 2012 TIF/Street debt was made. The City's debts have all been refinanced during the last nine years to take advantage of better interest rates without extending the terms of the debt. The City maintains a Standard & Poor's rating of 'A', which is equivalent to an A+ rating if we were to issue General Obligation Debt. Receiving Standard & Poor's 'A' rating demonstrates the priority we have placed on reducing our debts and honoring our ethical obligation to make these annual payments. Future debt is being considered for the construction of a Public Safety Center and the repair and replacement of the water and wastewater system as a result of the repair and replacement plan. Funds to repay this debt will be from the Public Safety tax passed in June 2020 and the water and wastewater user fees respectively. The Cities priority is to continue to maintain strong reserves now and into the future.

| Issuance | Fund               | FY2024             | 9/30/2024      | Final Payment |
|----------|--------------------|--------------------|----------------|---------------|
|          |                    | Principal Payments | Ending Balance |               |
|          | 2009 Wastewater    | 304,100.00         | 1,607,300.00   | 7/1/2030      |
|          | 2011 Water         | 497,000.00         | 4,062,000.00   | 1/1/2033      |
|          | 2021 Street/Bridge | 224,950.00         | 457,706.95     | 5/1/2027      |
|          | 2021 Senior Center | 51,010.00          | 57,458.61      | 5/1/2027      |
|          | 2021 Auditorium    | 204,040.00         | 229,834.44     | 5/1/2027      |
|          | 2016 Golf Course   | 190,000.00         | 1,465,000.00   | 5/1/2031      |
|          | Total              | 1,471,100.00       | 7,879,300.00   |               |

As we look to the future, both short term and long term, we must recognize those needs that benefit the majority of our Citizens. We will continue to utilize the five-year street plan that provides sealing and repaving for City streets each year. By using our GIS system, we have developed a plan that outlines the roads with the highest priority and a yearly projection for crack seal, slurry seal and overlay.

The City's overall financial position will continue to be monitored daily to ensure accountability and compliance. The City maintains a 60-day reserve in some funds, which is recommended by our independent auditors. For most of the funds, the City goes beyond the recommended 60 days and has kept

a 90-day reserve in recent years. Fiscal Year 2025 a 90-day reserve in the General Fund projected expenditures and other financing is calculated to be \$1,339,586.63. The projected unrestricted ending General Fund balance is expected to be \$6,911,207.86 and is the equivalent of 552 days of reserves. As a result of the prior increased sales tax revenues and careful examination of our expenditures the General Fund balance is forecasted to remain in a healthy position after the FY2024 year. The ½ of 1% Public Safety tax will be funding equipment purchases and salary increases for our Police and Fire Department in FY 2025. The City Staff are taking advantage of these extra funds to repair and replace some of the City's buildings and equipment. Discussions have begun with an architectural firm in FY2024 for the Public Safety Center. Preliminary concept designs are expected in FY2025 in addition to the breaking of ground for the new Public Safety Center.

There are always fiscal challenges for a City in any economic atmosphere. We see revenues from the 1% sales tax experiencing very slow growth in prior years. With continued uncertainty of the current inflation and economy, it is extremely important to focus on our fiscal responsibilities. Unfortunately, the cost of utilities, insurance, wages, etc. each year, grows at a higher rate than the revenues. Staff must be diligent in keeping costs down and operating their departments as efficiently as possible through proper bidding procedures and careful consideration of departmental needs. Revenues must also be examined and monitored daily. We must find other sources of revenue to offset the continuous increase in operating expenses. Whether it be the passage of a Use Tax or increase in the general tax in the future, raising Property Taxes, or the continuation of utilizing Grants to offset our expenses, we need to engage our community in these discussions. Each of these options must be carefully explored and considered. It is necessary to have careful and concise planning to fulfill obligations to both debtors and the citizens.

Respectfully,

David Kennedy  
City Manager

## City Clerk

Cheyenne Wright

City Clerk

[Cwright@neoshomo.org](mailto:Cwright@neoshomo.org)

This office provides administrative support for legislative services, records and information management, public information, and regulatory election services. Duties include preparation of agendas, meeting notices and minutes; maintenance of the City Code; administration of the appointment process to boards and commissions; maintenance and preservation of accurate Council records; oversight of the Records and Information Management Program; dissemination of public information; and the administration of elections. The Clerk handles all City insurance including property, liability, vehicle & airport policies. This involves implementation, renewals, claims processing as well as training, required conferences and ensuring annual audit requirements.

## Communications & Events

Richard Leavens  
Development Services Director  
[rlavens@neoshomo.org](mailto:rlavens@neoshomo.org)

This office serves to provide public awareness of all information and events within the City while keeping City Official's best intentions at the forefront of all marketing efforts. The marketing and information distributed is provided to further enhance the quality of life in Neosho. This office is also responsible for coordinating city-sponsored events; booking City facilities; and managing the website and social media.

## Development Services

Richard Leavens  
Development Services Director  
[rleavens@neoshomo.org](mailto:rleavens@neoshomo.org)

The Development Office ensures all new development meets the needs of the present, without compromising the ability of future generations to meet their own needs. Building Inspection Department is also responsible for enforcing building and public safety codes to protect the best interest of the public. This department issues building permits and reviews all commercial plans prior to building permit approval.

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Grant Revenue-** Received additional grant for capital

**Shipping and Disposal** - Increase for need

**Fuels-** Additional fork truck

#### Decreases:

**Capital** - Decrease based on current need

**Facility Maintenance-** Decrease based on current need

## Police Department

Jason Baird  
Chief of Police  
[j.baird@neoshomo.org](mailto:j.baird@neoshomo.org)

The Police Department is proactive in reducing crime and protecting lives and property and provides quality law enforcement to everyone living, working, and traveling through the community. The Police Department is also responsible for investigating reports of violations of the City's Code of Ordinances covering community standards, public nuisances, and conditions affecting public health, safety, and welfare in the City. The Police Department also facilitates the Neosho High School and Crowder College with Police Officers to enforce violations for on campus crimes. The Police Department is funded by Fines, a 1/2 of 1% Public Safety Tax, and the City's General Fund

## Municipal Court

Vickie Smith  
Municipal Court Clerk  
[vsmith@neoshomo.org](mailto:vsmith@neoshomo.org)

The Municipal Court is authorized by the Missouri Constitution and is a part of the Circuit Court. The Court's function is to adjudicate legal disputes between parties and carry out the administration of justice in accordance with the rule of law. The Court's role is to determine disputes in the form of cases which are brought before the judge. The court provides defendants with a fair and impartial trial on any alleged violation of a city ordinance. These include, but are not limited to traffic enforcement, peace disturbance, shoplifting, assaults, drug/paraphernalia charges, code violations and animal charges. The Municipal Court is open to the public for any and all court hearings.

## Human Resources

Krysti Muhic  
Human Resource Director  
[Kmuhic@neoshomo.org](mailto:Kmuhic@neoshomo.org)

The HR office handles the administration of all HR functions including recruitment, testing, selection, compensation & benefits, workers' compensation as well as employee counseling & employee relations. The Director supervises front desk personnel and associated duties to ensure citizens issues are handled appropriately. The Director answers incoming phone calls as well as assisting citizens visiting city hall. The Director inputs payroll changes and additions into Springbrook payroll system and also administers any online banking needs for the finance department.

## Airport

Richard Leavens  
Development Services Director  
[rleavens@neoshomo.org](mailto:rleavens@neoshomo.org)

The Neosho Hugh Robinson Memorial Airport is located 3 miles south of town off of Highway 59. Its location allows are visitors easy access to our restaurants, hotels, and the historic downtown district. We offer a courtesy car for pilots and passengers who need to go to town for brief periods.

## Public Safety Tax

David Kennedy  
City Manager

[D.kennedy@neoshomo.org](mailto:D.kennedy@neoshomo.org)

On June 2, 2020, the voters of the City of Neosho approved an additional 1/2% city general sales tax under RSMo 94.510. The tax will go towards increasing salaries for our emergency services personnel to hire and retain qualified employees and for Capital Purchases for Police and Fire. Emergency Management services capital projects will also be funded through this public safety tax.

## IOOF Cemetery

Cheyenne Wright

City Clerk

[Cwright@neoshomo.org](mailto:Cwright@neoshomo.org)

The Neosho IOOF Cemetery was developed as a community cemetery in 1855. In recent years, the cemetery had become difficult to maintain by the Neosho IOOF Board due to financial and employment difficulties. The City of Neosho accepted the IOOF Cemetery on November 5th, 2019 per Missouri State Legislative actions, ultimately stating local political subdivisions must assure the continued presence, care, and upkeep of its cemeteries

## Fire Department

Aaron Houk

Fire Chief

[ahouk@neoshomo.org](mailto:ahouk@neoshomo.org)

The Fire Department's mission is to assist the citizens of Neosho through prevention, planning, education and action. The Fire Department is funded by a 1/4 of 1% sales tax, a 1/2 of 1% public safety tax, a contract with the Neosho Area Fire Protection District, and the City's General Fund.

## Drainage Department

Nate Siler  
Public Works Director  
[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

Storm water Management – The Department maintains the storm sewer system and storm water detention and retention basins and ensures the city complies with the increasingly stringent water quality standards of the EPA, the DNR.

## Parks & Recreation

Kenny Balls

Parks & Recreation Manager

[Kballs@neoshomo.org](mailto:Kballs@neoshomo.org)

The Parks Department administers and maintains Neosho Parks and other properties assigned to Parks Department under the direction of the City Manager. This includes annual budgeting, bidding projects, land management, and maintaining and training the work force. The Parks Department is funded by a 3/8 of 1% sales tax shared with the Drainage Department. This tax was approved by the Neosho voters August of 1997.

## Auditorium & Lampo

David Kennedy

City Manager

[D.kennedy@neoshomo.org](mailto:D.kennedy@neoshomo.org)

The Civic is an asset to the community and serves many functions. It may be used as one large venue, or as three separate rooms. The venue is equipped with a state-of-the-art sound and theatre lighting system providing support for a wide range of presentations. With more the 650 new seats in the balcony, the venue can accommodate more than 1,000 guests. The Civic and Lampo are funded by a .125% sales tax.

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Professional Services** - Increase for contract work

**Member Training and Travel** - Increase for trainings

**Street Contracts** - Increase of street overlays & slurry seal

**Maintenance Material** - Increase per need

#### Decreases:

**Street Contracts** - Decrease due to need and no overlap of contract years

## Distribution & Maintenance

Nate Siler  
Public Works Director

[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

The primary responsibilities are to respond to customer service calls as they are received . Work activities include but are not limited to: daily, weekly, monthly and yearly routine preventative, and corrective maintenance activities for water main/service lines, water valves, fire hydrant, and install and repair water meters, mark the locations of mains and services in anticipation of underground construction, and assist in the annual flushing program and valve maintenance program.

## Meter Department

Nate Siler  
Public Works Director  
[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

Read all 5,700 residential, commercial and industrial customer meters. They also perform all the required daily, weekly, monthly, and yearly testing of the drinking water system to ensure we comply with both state and federal guidelines. Repair to residential meters, AMR equipment, vaults, curb stops and general maintenance.

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Alliance Contract** - FY25 allocation based on dollars budgeted with CPI increase of 3%

#### Decreases:

**Professional Services** - Decrease based on actual need

**Insurance and Bonds** - Decrease due to allocation of property

**AN ORDINANCE of the City of Neosho, Missouri, adopting the annual City budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025.**

WHEREAS, in accordance with Section 5.02 of the Neosho City Charter, the City Manager has submitted to the Mayor and Council a budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, and an accompanying message; and,

WHEREAS, in accordance with Section 5.06 of the Neosho City Charter, a public hearing on the proposed budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, was held on August 20, 2024.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NEOSHO, MISSOURI, as follows:

**Section 1.** A budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025, providing total revenues of \$62,376,319.00 and appropriations for all funds of \$55,236,906.00, including the salary schedule therein, a true and accurate copy of the same being attached hereto and incorporated as Exhibit “A,” be and the same is hereby approved.

**Section 2.** The City Manager is directed to cause the proper accounting entries to be made in the books and records of the City so as to reflect the revenues and appropriations set forth in the budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025.

**Section 3.** That this Ordinance shall be in full force and effect from and after its passage.

PASSED BY THE COUNCIL OF THE CITY OF NEOSHO, MISSOURI, this \_\_\_\_ day of \_\_\_\_\_, 2024, by a vote of \_\_\_\_\_.

**CITY OF NEOSHO, CITY COUNCIL**

Citizens of the City  
Honorable Mayor and Members of the Neosho City Council  
City of Neosho  
Neosho, Missouri

In fulfillment of Article V of the Neosho City Charter, I am submitting for your consideration and approval the proposed budget for the fiscal year ending September 30, 2025.

The table below provides the following information on our balanced budget for the General Government Funds and Enterprise Funds: Proposed Revenues & Expenditures, Proposed Other Sources, and Proposed Other Uses. Also displayed is a comparison to the prior two years of original adopted budgets.

|                        | Projected Fund<br>Balance | Total Revenues<br>and Other<br>Sources | Total<br>Expenditures<br>and Other Uses | Projected<br>Ending Fund<br>Balance | % of<br>Total | Change<br>Amount       | Change<br>%  |
|------------------------|---------------------------|----------------------------------------|-----------------------------------------|-------------------------------------|---------------|------------------------|--------------|
| Government Funds       | \$ 17,873,902.00          | \$ 38,228,302.00                       | \$ 40,433,154.00                        | \$ 15,669,050.00                    | 0.70          | \$ (2,204,852.00)      | -0.12        |

| <b>Total</b>          | <b>59,946,353.00</b>                 | <b>53,559,450.00</b>                 | <b>54,016,888.00</b>       |

The City's expenditures and other uses have increased for the Fiscal 2025 year. This is in large part due to the continuation of two stormwater projects related to the use of American Rescue Plan Act "ARPA" funds for drinking water, wastewater and stormwater, and the Department of Economic Development "DED" funds for Stratford Place and Freeman Road. Flooding occurs easily among the properties and roadways during moderate rainfall events and remain flooded for extended time periods after rainfall events. The proposed projects will consist of the installation of a stormwater system of inlets and piping to promote drainage of the existing area and intercept stormwater generated from the south for the Stratford Place and Freeman Road project. Construction of a new drainage ditch to mitigate flooding from Hatchery Branch and the High School Branch. Construction project will begin for improvements and overlay of Highway 59 towards Malcom Mosby Drive. This construction will include the addition of right turn lanes at the intersections of Industrial Drive and Clemons Drive and will also include stormwater improvements in this area. The adoption of the twenty-year plan for water projects will consist of replacement of water lines which are at the end of their service life, and will include replacement of gate valves, fire hydrants, service connections, and appurtenances. The City received the wastewater study this last year and has begun implementation of the plan to update and repair the wastewater collection and treatment system. Among the proposed wastewater projects is the rehabilitation of the Buffalo Creek Lift Station and the Villas/Limekiln lift station in order to mitigate the infiltration and inflow of stormwater into the sewer system.

The City has seen an overall decrease of 3.48% from FY23 in sales tax revenues received as of August 2024. The loss of retail business is a large part of the decrease. Using the five-year average for the month of September, we expect the 2023/2024 fiscal year sales tax revenues to end the fiscal year approximately 4% below actual receipts from the prior fiscal year. We have budgeted sales tax revenues for the 2024/2025 fiscal year with no growth over the budgeted sales tax revenues from the 2023/2024 fiscal year. While we have some growth in the community the decrease was unexpected, Staff feels a conservative approach is best at this time due to the uncertainties and volatility of the economy.

With overall expenses increasing at a higher rate than revenues, the staff must make decisions to ensure the ongoing success of the City. The City is committed to the management of expenditures with a strong focus on lean and efficient operations and competitive third-party contracts. During the FY2025 year, the

City plans to continue a course of action intended to improve revenues across the board to ensure continuation of important services, while continuing to practice approved bidding and purchasing procedures to find the best value for the taxpayer's dollar. The City has chosen to continue to invest in the employees in FY2025 with a 3% COLA increase for most departments with Fire receiving step increases to remain competitive in FY2025. It is no small feat to protect, provide, and maintain a safe and functioning City for our citizens. Our Staff is to be commended to for the results of their service to the Citizens of Neosho.

We continue to focus on building strong relationships with our partners in education, business, economic development, and our community in general. Great strides have been achieved, as we continue to help Neosho grow at a pace that complements our infrastructure and encourages new construction, new developments, and new citizens. The City continues our partnership with the Neosho Area Chamber of Commerce in the promoting and beautification of the City and we will continue into Fiscal Year 2025 in the same direction and collaborative spirit.

Water loss remains a top priority for the City's Utilities Departments. Public Works has identified the downtown upper-pressure zone to have the largest amount of water loss. In FY2024, installation of additional magnetic field meters have been installed in that area to further isolate locations for main repair or replacement. The water and wastewater revenues were reviewed, and an annual increase was included in FY2025. This will allow for continuous infrastructure improvements as highlighted in the twenty-year plans for water and sewer lines as well as to the Wastewater and Filtration plants in the future.

The debts of the City continue to receive careful oversight by the Staff. Our responsibility as a City is to ensure that we service these debts accordingly. In Fiscal Year 2023, the final payment for the 2012 TIF/Street debt was made. The City's debts have all been refinanced during the last nine years to take advantage of better interest rates without extending the terms of the debt. The City maintains a Standard & Poor's rating of 'A', which is equivalent to an A+ rating if we were to issue General Obligation Debt. Receiving Standard & Poor's 'A' rating demonstrates the priority we have placed on reducing our debts and honoring our ethical obligation to make these annual payments. Future debt is being considered for the construction of a Public Safety Center and the repair and replacement of the water and wastewater system as a result of the repair and replacement plan. Funds to repay this debt will be from the Public Safety tax passed in June 2020 and the water and wastewater user fees respectively. The Cities priority is to continue to maintain strong reserves now and into the future.

| Issuance | Fund               | FY2024             | 9/30/2024      | Final Payment |
|----------|--------------------|--------------------|----------------|---------------|
|          |                    | Principal Payments | Ending Balance |               |
|          | 2009 Wastewater    | 304,100.00         | 1,607,300.00   | 7/1/2030      |
|          | 2011 Water         | 497,000.00         | 4,062,000.00   | 1/1/2033      |
|          | 2021 Street/Bridge | 224,950.00         | 457,706.95     | 5/1/2027      |
|          | 2021 Senior Center | 51,010.00          | 57,458.61      | 5/1/2027      |
|          | 2021 Auditorium    | 204,040.00         | 229,834.44     | 5/1/2027      |
|          | 2016 Golf Course   | 190,000.00         | 1,465,000.00   | 5/1/2031      |
|          | Total              | 1,471,100.00       | 7,879,300.00   |               |

As we look to the future, both short term and long term, we must recognize those needs that benefit the majority of our Citizens. We will continue to utilize the five-year street plan that provides sealing and repaving for City streets each year. By using our GIS system, we have developed a plan that outlines the roads with the highest priority and a yearly projection for crack seal, slurry seal and overlay.

The City's overall financial position will continue to be monitored daily to ensure accountability and compliance. The City maintains a 60-day reserve in some funds, which is recommended by our independent auditors. For most of the funds, the City goes beyond the recommended 60 days and has kept

a 90-day reserve in recent years. Fiscal Year 2025 a 90-day reserve in the General Fund projected expenditures and other financing is calculated to be \$1,339,586.63. The projected unrestricted ending General Fund balance is expected to be \$6,911,207.86 and is the equivalent of 552 days of reserves. As a result of the prior increased sales tax revenues and careful examination of our expenditures the General Fund balance is forecasted to remain in a healthy position after the FY2024 year. The ½ of 1% Public Safety tax will be funding equipment purchases and salary increases for our Police and Fire Department in FY 2025. The City Staff are taking advantage of these extra funds to repair and replace some of the City's buildings and equipment. Discussions have begun with an architectural firm in FY2024 for the Public Safety Center. Preliminary concept designs are expected in FY2025 in addition to the breaking of ground for the new Public Safety Center.

There are always fiscal challenges for a City in any economic atmosphere. We see revenues from the 1% sales tax experiencing very slow growth in prior years. With continued uncertainty of the current inflation and economy, it is extremely important to focus on our fiscal responsibilities. Unfortunately, the cost of utilities, insurance, wages, etc. each year, grows at a higher rate than the revenues. Staff must be diligent in keeping costs down and operating their departments as efficiently as possible through proper bidding procedures and careful consideration of departmental needs. Revenues must also be examined and monitored daily. We must find other sources of revenue to offset the continuous increase in operating expenses. Whether it be the passage of a Use Tax or increase in the general tax in the future, raising Property Taxes, or the continuation of utilizing Grants to offset our expenses, we need to engage our community in these discussions. Each of these options must be carefully explored and considered. It is necessary to have careful and concise planning to fulfill obligations to both debtors and the citizens.

Respectfully,

David Kennedy  
City Manager

\* City contracted Golf Course March 2024

\*\*2011 started out with 18 Fire. In May of 2011, the City received the SAFER grant allowing 9 more to be hired.

\*\*\*In FY16 the City contracted Alliance Water Resources for Wastewater and Filtration

\*\*\*\* In FY2023 Allocated City Clerk with Cemetery

## General Admin

David Kennedy  
City Manager  
[d.kennedy@neoshomo.org](mailto:d.kennedy@neoshomo.org)

This office conducts the overall administration of the City (as prescribed by the Neosho City Charter and Missouri Revised State Statutes), coordinates the activities of the City, and carries out all policies and actions of the the City Council. The Manager informs and advises Council on matters of concern to the City. The Manager coordinates the activities of all departments. Funding sources include a 1% sales tax, property tax, license & permit fees, charges for services, and fines & forfeitures.

## City Clerk

Cheyenne Wright

City Clerk

[Cwright@neoshomo.org](mailto:Cwright@neoshomo.org)

This office provides administrative support for legislative services, records and information management, public information, and regulatory election services. Duties include preparation of agendas, meeting notices and minutes; maintenance of the City Code; administration of the appointment process to boards and commissions; maintenance and preservation of accurate Council records; oversight of the Records and Information Management Program; dissemination of public information; and the administration of elections. The Clerk handles all City insurance including property, liability, vehicle & airport policies. This involves implementation, renewals, claims processing as well as training, required conferences and ensuring annual audit requirements.

## Communications & Events

Richard Leavens  
Development Services Director  
[rlavens@neoshomo.org](mailto:rlavens@neoshomo.org)

This office serves to provide public awareness of all information and events within the City while keeping City Official's best intentions at the forefront of all marketing efforts. The marketing and information distributed is provided to further enhance the quality of life in Neosho. This office is also responsible for coordinating city-sponsored events; booking City facilities; and managing the website and social media.

## Development Services

Richard Leavens  
Development Services Director  
[rleavens@neoshomo.org](mailto:rleavens@neoshomo.org)

The Development Office ensures all new development meets the needs of the present, without compromising the ability of future generations to meet their own needs. Building Inspection Department is also responsible for enforcing building and public safety codes to protect the best interest of the public. This department issues building permits and reviews all commercial plans prior to building permit approval.

## Recycle Center

Nate Siler  
Public Works Director  
[nsiler@neoshomo.org](mailto:nsiler@neoshomo.org)

The Neosho Recycle Center is a regional drop-off recycling center. The facility serves over 7,000 individual rec as well as six other communities or organizations each year.

## Police Department

Jason Baird  
Chief of Police  
[j.baird@neoshomo.org](mailto:j.baird@neoshomo.org)

The Police Department is proactive in reducing crime and protecting lives and property and provides quality law enforcement to everyone living, working, and traveling through the community. The Police Department is also responsible for investigating reports of violations of the City's Code of Ordinances covering community standards, public nuisances, and conditions affecting public health, safety, and welfare in the City. The Police Department also facilitates the Neosho High School and Crowder College with Police Officers to enforce violations for on campus crimes. The Police Department is funded by Fines, a 1/2 of 1% Public Safety Tax, and the City's General Fund

## Municipal Court

Vickie Smith  
Municipal Court Clerk  
[vsmith@neoshomo.org](mailto:vsmith@neoshomo.org)

The Municipal Court is authorized by the Missouri Constitution and is a part of the Circuit Court. The Court's function is to adjudicate legal disputes between parties and carry out the administration of justice in accordance with the rule of law. The Court's role is to determine disputes in the form of cases which are brought before the judge. The court provides defendants with a fair and impartial trial on any alleged violation of a city ordinance. These include, but are not limited to traffic enforcement, peace disturbance, shoplifting, assaults, drug/paraphernalia charges, code violations and animal charges. The Municipal Court is open to the public for any and all court hearings.

## Information Technology

Richard Leavens  
Development Services Director  
[rlavens@neoshomo.org](mailto:rlavens@neoshomo.org)

The Information Technology Department oversees the City's use of existing and emerging technologies in government operations, and its delivery of services to the public. The City has one FTE plus contracts with a third party.

## Fleet Maintenance

Nate Siler  
Public Works Director

[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

Fleet Maintenance is responsible for over 150 vehicles and equipment from every department throughout the City. Services range from oil changes, brakes, and major replacement and repairs.

## Emergency Management

Aaron Houk

Fire Chief

[ahouk@neoshomo.org](mailto:ahouk@neoshomo.org)

The Department of Emergency Management serves to provide the citizens of Neosho with an appropriate response in an emergency situation in order to maintain the public safety and well-being of Neosho and its citizens. The Department of Emergency Management is funded by a 1/2 of 1% Public Safety Tax.

## Human Resources

Krysti Muhic  
Human Resource Director  
[Kmuhic@neoshomo.org](mailto:Kmuhic@neoshomo.org)

The HR office handles the administration of all HR functions including recruitment, testing, selection, compensation & benefits, workers' compensation as well as employee counseling & employee relations. The Director supervises front desk personnel and associated duties to ensure citizens issues are handled appropriately. The Director answers incoming phone calls as well as assisting citizens visiting city hall. The Director inputs payroll changes and additions into Springbrook payroll system and also administers any online banking needs for the finance department.

## Airport

Richard Leavens  
Development Services Director  
[rleavens@neoshomo.org](mailto:rleavens@neoshomo.org)

The Neosho Hugh Robinson Memorial Airport is located 3 miles south of town off of Highway 59. Its location allows are visitors easy access to our restaurants, hotels, and the historic downtown district. We offer a courtesy car for pilots and passengers who need to go to town for brief periods.

## Public Safety Tax

David Kennedy  
City Manager

[D.kennedy@neoshomo.org](mailto:D.kennedy@neoshomo.org)

On June 2, 2020, the voters of the City of Neosho approved an additional 1/2% city general sales tax under RSMo 94.510. The tax will go towards increasing salaries for our emergency services personnel to hire and retain qualified employees and for Capital Purchases for Police and Fire. Emergency Management services capital projects will also be funded through this public safety tax.

## IOOF Cemetery

Cheyenne Wright

City Clerk

[Cwright@neoshomo.org](mailto:Cwright@neoshomo.org)

The Neosho IOOF Cemetery was developed as a community cemetery in 1855. In recent years, the cemetery had become difficult to maintain by the Neosho IOOF Board due to financial and employment difficulties. The City of Neosho accepted the IOOF Cemetery on November 5th, 2019 per Missouri State Legislative actions, ultimately stating local political subdivisions must assure the continued presence, care, and upkeep of its cemeteries

Aaron Houk

Fire Chief

[ahouk@neoshomo.org](mailto:ahouk@neoshomo.org)

The Fire Department's mission is to assist the citizens of Neosho through prevention, planning, education and action. The Fire Department is funded by a 1/4 of 1% sales tax, a 1/2 of 1% public safety tax, a contract with the Neosho Area Fire Protection District, and the City's General Fund.

## Drainage Department

Nate Siler  
Public Works Director  
[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

Storm water Management – The Department maintains the storm sewer system and storm water detention and retention basins and ensures the city complies with the increasingly stringent water quality standards of the EPA, the DNR.

## Parks & Recreation

Kenny Balls

Parks & Recreation Manager

[Kballs@neoshomo.org](mailto:Kballs@neoshomo.org)

The Parks Department administers and maintains Neosho Parks and other properties assigned to Parks Department under the direction of the City Manager. This includes annual budgeting, bidding projects, land management, and maintaining and training the work force. The Parks Department is funded by a 3/8 of 1% sales tax shared with the Drainage Department. This tax was approved by the Neosho voters August of 1997.

## Auditorium & Lampo

David Kennedy

City Manager

[D.kennedy@neoshomo.org](mailto:D.kennedy@neoshomo.org)

The Civic is an asset to the community and serves many functions. It may be used as one large venue, or as three separate rooms. The venue is equipped with a state-of-the-art sound and theatre lighting system providing support for a wide range of presentations. With more the 650 new seats in the balcony, the venue can accommodate more than 1,000 guests. The Civic and Lampo are funded by a .125% sales tax.

## Street Department

Nate Siler  
Public Works Director  
[nsiler@neoshomo.org](mailto:nsiler@neoshomo.org)

Street Maintenance – The Department coordinates or conducts a wide variety of street maintenance activities, including crack filling, seal coating, patching, striping, shouldering, signage, street lights, resurfacing, reconstruction, snow and ice control, and sidewalk repair or replacement.

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Professional Services** - Increase for contract work

**Member Training and Travel** - Increase for trainings

**Street Contracts** - Increase of street overlays & slurry seal

**Maintenance Material** - Increase per need

#### Decreases:

**Street Contracts** - Decrease due to need and no overlap of contract years

## Distribution & Maintenance

Nate Siler  
Public Works Director

[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

The primary responsibilities are to respond to customer service calls as they are received . Work activities include but are not limited to: daily, weekly, monthly and yearly routine preventative, and corrective maintenance activities for water main/service lines, water valves, fire hydrant, and install and repair water meters, mark the locations of mains and services in anticipation of underground construction, and assist in the annual flushing program and valve maintenance program.

## Meter Department

Nate Siler  
Public Works Director  
[Nsiler@neoshomo.org](mailto:Nsiler@neoshomo.org)

Read all 5,700 residential, commercial and industrial customer meters. They also perform all the required daily, weekly, monthly, and yearly testing of the drinking water system to ensure we comply with both state and federal guidelines. Repair to residential meters, AMR equipment, vaults, curb stops and general maintenance.

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Alliance Contract** - FY25 allocation based on dollars budgeted with CPI increase of 3%

#### Decreases:

**Professional Services** - Decrease based on actual need

**Insurance and Bonds** - Decrease due to allocation of property

### Highlights - Variances of 10% (FY2024 Projected/FY2025)

#### Increases:

**Insurance and Bonds-** Increase of property values 13.13% with additional Increase in rates 3%.

**WW Lines Capital** - Increase replacement and **repairs 20 Year plan**

**Alliance Contract** - FY24 allocation based on dollars budgeted with CPI increase of 3%

**Billing-** Increase for rates

#### Decreases:

**Equipment Maintenance**-Decrease based on need

**Facility Maintenance**-Decrease based on need
