1. Speed Limit on Baxter Street

ADJOURN

Today 10:11 AM

Would you be opposed to increasing the speed limit on Baxter to 30 or 35 miles an hour? Driving back-and-forth to my father-in-law's house, it seems that 25 is a little too slow for that street. Any thoughts or comments?

Delivered

I'm all for it

I've actually heard a lot of people complain that it's too low and needs increased
